

FISCAL NOTE

HB 466 - SB 1480

March 14, 2005

SUMMARY OF BILL: Authorizes up to five hours of continuing education requirements for Chiropractors to be obtained over the Internet. Authorizes the Board of Chiropractic Examiners to change the renewal fees and externship fees.

ESTIMATED FISCAL IMPACT:

Increase State Revenues – Not Significant
Increase State Expenditures – Not Significant

Assumptions:

- An increase or decrease in revenues is dependent on the decision of the Board of Chiropractic Examiners to change renewal and externship fees.
- The Board, by statute, is self supporting such that revenues must equal expenditures.
- Rule changes would be necessary if Board decides to change either fee which would not have a significant impact.
